From the Desk of Chairman

Trust of our customers is key to our success..!

It's the proof of their confidence in our commitment to deliver on the promises and doing what's best for them.

Falcon Pack celebrates its three decades of serving its valued customers. We started with one mission – to offer the broadest range of top quality products and services to consumers, while maximizing their value for money. Now, three decades later that mission is still the same.

"We're amazed at how far we've come, and how many lives we've touched."

We strive to deliver the most innovative quality products to our valued consumers, along-side the unshaken commitment toward Sustainability, Customer Centricity, Operational Excellence, and Regulatory Compliance.

As a responsible corporate citizen, our goal is to work for the positive environmental and societal outcomes. We are an active member of Green Business Network (GBN) - Environment Agency Abu Dhabi, and Emirates Environment Group (EEG) - Dubai.

Over the past three decades our customers have helped us expand across GCC and reach markets of over 65+ countries around the globe, launching thousands of products and make "Falcon" the brand loved by all...

We are also a proud winner of Sheikh Khalifa Excellence Award (Gold category - Manufacturing) and Sharjah Economic Excellence Award.

Our certifications covering ISO 9001, 14001, 45001, 22000, FSC, PEFC, BRC, along with EQM & ECAS certifications of conformity, are a proof of our devotion for operational and product excellence.

Ever increasing range of our products and services can't be wrapped in this catalogue. Yet, this is an attempt to showcase some of them to meet the requirements of our esteemed customers.

We thank you all for Your trust and look forward to Your support and feedback that helps us continue our journey of enhancing our products and services.

Ahmed Al Shamsi
Chairman

“Unmatched Industry Experience: Falcon Detergents, Linked with Falcon Pack’s Three Decades of Proven Excellence”

COMPANY OVERVIEW

Falcon Detergents Industry, an ISO 9001:2015 Certified and a member of Falcon Group of Companies: Falcon Pack and Falcon Detergents; is a local Cleaning and Disinfectant Manufacturing company using modern technology, and following international standards to meet the customer satisfaction. OUR VISION

To be a regional leader and global player in providing complete disposable, food packaging solutions to food service and household consumers.

OUR MISSION

To become the number one provider of complete disposable, food packing solutions in quality, hygienic and safe products which offers customer delight.

Our Vision is built on the foundation of uncompromising principles of :

- | | | |
|-------------|---|---|
| Quality | : | Best in Class Products and Services |
| Reliability | : | Integrated Purchase, Stores and Sales Operations ensuring availability |
| Value | : | Expertise, Efficiencies and Economies drive the competitive value of our products |

ABOUT US

INFRASTRUCTURE

Falcon Detergents operates from a state-of-the-art manufacturing facility that is equipped with advanced technology and machinery. Our infrastructure is designed to optimize production efficiency and ensure the highest quality standards.

Our manufacturing plant adheres to strict hygiene and safety protocols to guarantee the purity and cleanliness of our products. We have implemented robust quality control measures at every stage of the production process, from sourcing raw materials to packaging the final products.

To support our commitment to sustainability, we have incorporated eco-friendly practices within our infrastructure. We have invested in energy-efficient equipment and technologies to minimize our carbon footprint and reduce energy consumption. Furthermore, we actively promote recycling and waste management initiatives within our facility.

In addition to our manufacturing unit, Falcon Detergents maintains spacious warehousing facilities that allow us to store and manage inventory efficiently. Our well-organized logistics system ensures prompt delivery and seamless distribution of our products to our customers.

Moreover, we have a dedicated research and development department within our infrastructure. This department focuses on continuous innovation, conducting extensive research, and testing new formulations and ingredients to enhance the effectiveness and eco-friendliness of our products.

Overall, Falcon Detergents boasts a robust and modern infrastructure that enables us to consistently deliver top-notch cleaning and hygiene products to our customers.

SAFETY AND HEALTH IS OUR PRIMARY CONCERN

WAREHOUSE

Falcon Detergents has a well organized Warehouses with a Storage capacity of 200,000+ sq.ft. Sales, Credit control, Supply chain and Logistics center offices are situated in the same location.

Falcon Detergents has its own fleet of closed vehicles to have efficient logistics of supply and delivery of products to its customers as per their requirement and convenience.

“Falcon Detergents warehouses are strategically located across UAE for the efficient logistics control.”

Our strong consumer community and their constantly evolving demands are the main source of our innovations. The mission of bringing the best products by regularly enhancing the infrastructure, production, storing facilities, logistics, and process driven vendor selection are on going processes.

“Falcon Detergents has its own fleet of closed vehicles to efficiently deliver your requirements on time.”
